Twenty Four (24) SBA players travelled together via bus to Aurora to the Machi BON #5B Ontario provincial event. There were some excellent matches, great game play and great efforts by all ...with lots of support and cheering for our SBA team mates. Congratulations to all participating players who attended to gain experience, and to qualify for the BON championships.

THANK YOU to Coach Victor who travelled with the team to support the team members, and provided coaching on the courts.

SPECIAL THANKS to SBA parent Ron Denault for travelling with the team and providing his leadership support.
