Twenty Six (26) SBA players travelled to BOWMANVILLE to the Port Hope BON #6B Ontario provincial event during the weekend of February 9/10. There were some very exciting and hard fought matches, many of which were extended to 3 games ... and points. A big salute to all our SBA players for demonstrating positive court etiquette and good sportsmanship throughout the tournament. Congratulations to all SBA participating players who participated and earned solid results.

THANK YOU to Coach Jenny who travelled with the team to support the team members, and provide coaching and support to the players.
